“He came back into church to get aligned with the plans and purpose of God for himself and for this world.”

We need God.

We need each other.

“Let us not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.”

**“Church is what you do.
Church is who you are.
Church is the human
outworking of the person
of Jesus Christ. Let’s
not go to Church,
lets be the church.”**

“Nothing on earth has greater potential to change lives and carry out His kingdom work in your community, than your local church. There’s nothing like the local church when it’s working right. It’s beauty is indescribable.

Its power is breathtaking.

Its potential is unlimited.

No other organization on earth is like the church.

Bill Hybels

Nothing even comes close.”
