

A night sky with the Milky Way galaxy and a mountain range silhouette. The Milky Way is a bright, colorful band of stars and dust that stretches across the sky from the top left towards the center. The stars are numerous and vary in color, including blue, white, and yellow. The background is a deep, dark blue. In the foreground, the silhouettes of mountains and trees are visible against the dark sky. The overall scene is a beautiful representation of the natural world and the universe.

GOD SPEAKS

Psalm 19

The heavens declare the
glory of God;
the skies proclaim the work
of his hands.
Day after day they pour forth
speech;
night after night they reveal
knowledge.

The law of the LORD is perfect,
refreshing the soul.

The statutes of the LORD are
trustworthy, making wise the
simple.

The precepts of the LORD are
right, giving joy to the heart.

3

They are more precious than
gold, than much pure gold;
they are sweeter than honey,
than honey from the honeycomb.

By them your servant is
warned; in keeping them there is
great reward.

Wounds from a friend can
be trusted, but an enemy
multiplies kisses.

Proverbs 27:6

The greatness of God in
Creation, and the greatness
of God in the revelation of
His thoughts to us...

are matched by the
greatness of His mercy
toward us.
