

# VICTORY in Jesus!

*Romans 8*

God desires for us as Believers to have victory in our Christian Life. Thus, Paul tells us how that can be true through Freedom.

“Following, obeying, serving , submitting to God is the thing I was created to do, so it is the place where true freedom is found. Rebellion never gives life. Self-rule never brings freedom. So, grace has worked to rescue me from me, so that I can know the true freedom of serving Him.”
